

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lilia Papadopoulos
DOCKET NO.: 09-31961.001-R-1
PARCEL NO.: 18-18-200-060-0000

The parties of record before the Property Tax Appeal Board are Lilia Papadopoulos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,484
IMPR.: \$ 34,456
TOTAL: \$ 40,940

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,742 square feet of living area. The dwelling was constructed in 2002. Features of the home include

a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 10,808 square foot site and is located in Lyons Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 18, 2007 for a price of \$460,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,454. The subject's assessment reflects a market value of \$516,854 or \$188.50 per square foot of living area, land included, when using the 2009 three year average median level of assessments for class 2 property of 8.90% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's grid sheet indicates that the subject sold in October 2007 for a price of \$460,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2007 for a price of \$460,000. The board of review submitted evidence of this sale. In addition, the appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, and the property had been

advertised on the open market for six months. In further support of the transaction the appellant submitted a copy of the settlement statement which indicates broker's fees were paid. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$460,000 as of January 1, 2009. Since market value has been determined the 2009 three year level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
