

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lightner Enterprises  
DOCKET NO.: 09-31974.001-C-1 through 09-31974.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Lightner Enterprises, the appellant, by attorney Michael D. Gertner, of Michael D. Gertner, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-31974.001-C-1	17-15-307-005-0000	31,239	11	\$31,250
09-31974.002-C-1	17-15-307-006-0000	31,239	11	\$31,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of 3,960 square feet of vacant commercial land with minor improvements. The property is located in South Chicago Township, Cook County. The subject is

classified as a class 5-90, commercial property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$250,000 as of January 1, 2009. The appraisal developed one of the traditional approaches to value: the sales comparison approach while using five sale comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$99,022. The subject's assessment reflects a market value of \$396,088 or \$100.01 per square foot of land area, when applying the level of assessment for class 5, commercial property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In support of its contention of the correct assessment, the board of review submitted limited, unadjusted data on four suggested comparable sales.

Further, the board of review's memorandum stated that the information was obtained from various sources that were not verified or warranted. In addition, the memorandum stated that it should not be construed as an appraisal or estimate of value.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$250,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 5, commercial property under the Cook County Real Property Assessment

Docket No: 09-31974.001-C-1 through 09-31974.002-C-1

Classification Ordinance of 25% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
