

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Philip Nielsen
DOCKET NO.: 09-32477.001-R-1
PARCEL NO.: 05-20-318-028-0000

The parties of record before the Property Tax Appeal Board are Philip Nielsen, the appellant, by attorney Sonja R. Johnson, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,589
IMPR: \$192,996
TOTAL: \$247,585

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of frame and masonry construction with 4,859 square feet of living area. The dwelling was 70 years old. Features of the home include a full basement with a finished recreation

room, central air conditioning, two fireplaces and a two-car garage. The property has a 41,992 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$247,585. The subject property has an improvement assessment of \$192,996 or \$39.72 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, two which are located on the same street as the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties to the appeal submitted a total of seven comparable properties into the record for the Board's consideration. The Board finds the best evidence of assessment equity to be the three comparables submitted by the appellant and board of review comparables #1 and #2. These comparables were the most similar when compared to with the subject property for size. All of the comparables are inferior to subject property in age and features. The comparables had improvement assessments that ranged from \$29.43 to \$49.11 per square foot of living area. The subject's improvement assessment of \$39.72 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments and the differences in the comparables when compared to the subject,

the Board finds the subject's per square foot improvement assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
