

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Glenn
DOCKET NO.: 09-32930.001-R-1
PARCEL NO.: 17-06-203-042-1006

The parties of record before the Property Tax Appeal Board are Laurie Glenn, the appellant(s), by attorney Thomas J. Thorson, of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,200
IMPR.: \$ 38,965
TOTAL: \$ 43,165

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium located in a 16-unit building of masonry construction. The building is 131 years old. The property has a 7,200 square foot site and is located

in West Chicago Township, Cook County. The property is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$485,000 as of 01/01/2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,544. The subject's assessment reflects a market value of \$770,157 when using the 2009 three year median level of assessments for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a report that purports to value the subject based on three suggested comparable sales. The report's conclusions are based on the sales plus adjustments for which no authority is cited. These sales took place between May 2006 to April 2007 and ranged from \$263,500 to \$493,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$485,000 as of the assessment date at issue. On reviewing the board of review's evidence, the Board finds that the suggested sales are too distant in time to the tax year at issue while none of the sales contained a similar percentage of ownership to the subject. Since market value has been established the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as

Docket No: 09-32930.001-R-1

determined by the Illinois Department of Revenue shall apply.
(86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
