

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Katz
DOCKET NO.: 09-33095.001-R-1
PARCEL NO.: 05-29-300-011-0000

The parties of record before the Property Tax Appeal Board are Howard Katz, the appellant, by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,984
IMPR: \$185,496
TOTAL: \$237,480

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of frame and masonry construction with 4,657 square feet of living area. The dwelling was 56 years old. Features

of the home include a full basement with a finished recreation room, central air conditioning, a fireplace and a 2.5-car detached garage. The property has a 39,998 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on ten equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$265,052. The subject property has an improvement assessment of \$213,068 or \$45.75 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Board of review comparable #3 is the same property as appellant's comparable #8.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties to the appeal submitted a total of thirteen different comparable properties into the record for the Board's consideration. The Board gave less weight in its final analysis to appellant's comparables #1 and #2 due to their significant age differences when compared to the subject property. Of the remaining eleven comparables, only one has a per square foot improvement assessment greater than the subject property and the Board finds that this property is superior to the subject. The Board further finds that the best evidence of assessment equity to be appellant's comparables #3, #4 and #8 and board of review comparables #3 and #4. These comparables had improvement assessments that ranged from \$34.82 to \$42.76 per square foot of

living area. The subject's improvement assessment of \$45.75 per square foot of living area is above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
