

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmet Demir
DOCKET NO.: 09-33153.001-R-1
PARCEL NO.: 16-01-431-020-0000

The parties of record before the Property Tax Appeal Board are Ahmet Demir, the appellant, by attorney Richard Shapiro in Evanston, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,905
IMPR.: \$41,504
TOTAL: \$49,409

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story, mixed-use and multi-family building of masonry construction. The building is 99 years old and has 5,667 square feet of building area. Features of the building include a commercial unit, six apartment units, a partial unfinished basement and a one and one-half car garage. The property has a 2,928 square foot site and is located in Chicago, West Chicago Township, Cook County.

The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables; however, the appellant did not provide any information on the comparables' foundations and garages, if any.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,409. The subject property has an improvement assessment of \$41,504 or \$7.32 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Both parties presented assessment data on a total of eight suggested comparables. The appellant did not provide any information on the comparables' foundations and garages. Consequently, the Board gave little weight to the appellant's comparables due to the lack of descriptive information about the improvements which prevents a meaningful analysis to determine the similarities of the comparables to the subject property.

The Board finds the best evidence of assessment equity to be the comparables submitted by the board of review. These comparables had partial unfinished basements like the subject and were also similar in location, design, exterior construction, age, and living area. These comparables had improvement assessments that ranged from \$7.40 to \$7.69 per square foot of building area.

The subject's improvement assessment of \$7.32 per square foot of building area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
