

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert N. Kamensky  
DOCKET NO.: 09-33208.001-R-1  
PARCEL NO.: 04-06-109-026-0000

The parties of record before the Property Tax Appeal Board are Robert N. Kamensky, the appellant, by attorney Frederick F. Richards III, of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,964  
**IMPR:** \$ 47,544  
**TOTAL:** \$ 54,508

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of 9,949 square feet of land improved with a 28-year old, two-story, frame, single-family dwelling. The improvement contains 2,924 square feet of living area as well as two full and one half-baths, a partial basement, one fireplace and a two-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for five suggested comparables as well as photographs and assessor database printouts for these properties. They are improved with a two-story, single-family dwelling of frame and masonry exterior construction. They range: in age from 28 to 40 years; in improvement size from 2,812 to 2,961 square feet of living area; and in improvements assessments from \$15.18 to \$16.99 per square foot. In comparison, the subject's improvement assessment is \$18.63 per square foot of living area. The properties also include varying amenities.

Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$61,404. The board of review submitted descriptive and assessment data relating to four suggested comparables located within a one-quarter mile's distance from the subject. The properties are improved with a two-story, frame and masonry, single-family dwelling with two full and one half-baths. They range: in age from 24 to 27 years; in improvement size from 2,530 to 2,808 square feet of living area; and in improvement assessments from \$20.29 to \$21.90 per square foot. The properties include a full basement and a two-car garage. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has met this burden.

Upon due consideration of the evidence submitted by the parties, the Board finds that the appellant's comparables #1, #2, #4 and #5 are most similar to the subject in location, style, improvement age, size, and/or amenities. In analysis, the Board accorded most weight to these comparables, which range in improvement assessments from \$15.18 to \$16.99 per square foot of living area. The subject's improvement assessment at \$18.62 per square foot is above the range established by these comparables.

The Board accorded diminished weight to the remaining comparables due to a disparity in improvement age and/or size.

Therefore, the Board finds that the appellant has demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
