

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Central States Joint Board
DOCKET NO.: 09-33260.001-C-1 through 09-33260.009-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Central States Joint Board, the appellant(s), by attorney Adam E. Bossov, of Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements. Improvement #1 is a two-story building of masonry construction with 22,905 square feet of building area. Improvement #1 is 108 years old. Improvement #2 is a one-story building of masonry construction with 7,098 square feet of building area. The property has a 38,004 square foot site, and is located in Chicago, West Chicago Township, Cook County. The PINs ending in 208-025, 208-026, 208-027, 208-028, 212-004, 212-026, and 212-029 are each classified as class 5 property under the Cook County Real Property Assessment Classification Ordinance. The PIN ending in 212-027 is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance. The PIN ending in 212-028 is classified as a class 2-01 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,500,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$431,342. The subject's assessment reflects a market value of \$1,873,400 when applying the 2009 blended level of assessment for the subject of 23.02%.

In support of its contention of the correct assessment, the board of review submitted information on 17 comparable sales from the CoStar Comps Service.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a

market value of \$1,500,000 as of the assessment date at issue. Since market value has been established the 2009 blended level of assessment for the subject of 23.02% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
