

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JoAnne Bruzgul
DOCKET NO.: 09-33390.001-R-1
PARCEL NO.: 17-16-213-022-1005

The parties of record before the Property Tax Appeal Board are JoAnne Bruzgul, the appellant(s), by attorney George Michael Keane, Jr., of Keane and Keane in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,992
IMPR.: \$ 78,488
TOTAL: \$ 82,480

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit located in a ten-story building. The property has a 3,250 square foot site and is located in South Chicago Township, Cook

County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales and a previous sale of the subject. These sales occurred from December 1997 to June 2006.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,480. The subject's assessment reflects a market value of \$926,742, including land, when applying the 2009 three year average median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a statement from Dan Michaelides, Analyst from the Board of Review, stating that a reduction was not granted because there were no sales in 2007, 2008, or 2009.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the comparables submitted by the appellant occurred in too far distant a timeframe to be considered as comparable to this 2009 appeal. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
