

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ota Roadhouse
DOCKET NO.: 09-33662.001-R-1 through 09-33662.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ota Roadhouse, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-33662.001-R-1	05-27-309-001-0000	24,679	50,526	\$75,205
09-33662.002-R-1	05-28-407-031-0000	4,917	0	\$ 4,917

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 84 years old, and consists of two parcels: one containing a two-story dwelling of masonry construction containing 2,256 square feet of living area (PIN 001), the other consisting of land only (PIN 031). Features of

the home include a full basement, a fireplace and a two-car garage. The property containing the dwelling has a 13,340 square foot site; the property consisting of land only has a 4,470 square foot site. The subject is located in New Trier Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the property containing the dwelling had a market value of \$845,000 as of January 1, 2010. The appellant did not contest the assessment of the parcel consisting of land only and did not request it be changed.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the property containing the dwelling (PIN 001) of \$92,021. This property's assessment reflects a market value of \$1,033,944 or \$458.31 per square foot of living area including land, when using the board of review's indicated size of 2,256 square feet and when applying the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue. The board of review's evidence disclosed the assessment of the property consisting of land only (PIN 031) was \$4,917.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the property containing the

dwelling (PIN 001) had a market value of \$845,000 as of the assessment date at issue. Since market value has been established, the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)). The Board confirms the property consisting of land only (PIN 031) had an assessed valuation of \$4,917.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
