

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Herman
DOCKET NO.: 09-33685.001-R-1
PARCEL NO.: 17-03-102-025-0000

The parties of record before the Property Tax Appeal Board are Bonnie Herman, the appellant, by attorney Edward P. Larkin, of Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 48,125
IMPR.: \$215,997
TOTAL: \$264,122

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 09 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has a 3,850 square foot site containing two improvements. Improvement #1 is a 111 year-old, three story dwelling of masonry construction containing 5,724 square feet of

living area. It features a partial basement, 13 rooms, four fireplaces and a two-car garage. Improvement #2 is a 111 year-old, two-story building of masonry construction containing 540 square feet. It features three rooms and a two-car garage.

The property is located in North Chicago Township, Cook County. Under the Cook County Real Property Assessment Classification Ordinance, improvement #1 is classified as a class 2-09 property and improvement #2 is classified as a class 2-05 property.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three class 2-09 equity comparables for improvement #1 only. The appellant did not submit comparables specifically for improvement #2. The appellant proffered a one-page brief as rebuttal evidence, which addressed only the issue of proximity of the comparables submitted by both the board of review and the appellant to the subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$264,122. Improvement #1 is assessed at \$194,066 or \$33.90 per square foot of living area; improvement #2 is assessed at \$21,931 or \$40.61 per square foot of living area. The total assessment for improvements #1 and #2 combined is \$215,997.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables for each of improvements #1 and #2. The grid analysis submitted by the board of review for improvement #1 contains a note that comparable #2 is for a partial assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for improvement #1 to be the board of review comparables #1, #3 and #4. These comparables had improvement assessments that ranged from \$40.90 to \$46.71 per square foot of living area. The subject's improvement #1 assessment of \$33.09 per square foot of living area falls below the range established by the best comparables in this record. The Board finds the best evidence of assessment equity for improvement #2 to be the board of review comparables #1 through #4. These comparables had improvement assessments that ranged from \$35.92 to \$58.93. The subject's improvement #2 assessment of \$40.61 falls within the range established by the best comparables in this record.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
