

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Basem Alkaissi
DOCKET NO.: 09-33884.001-C-1
PARCEL NO.: 16-02-421-037-0000

The parties of record before the Property Tax Appeal Board are Basem Alkaissi, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 23,475
IMPR: \$ 6,525
TOTAL: \$ 30,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part two-story, commercial building with three retail units therein. The building was constructed in 1899. The property has a 11,382 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 5A, commercial property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$120,000 as of January 1, 2009. The appraisal stated that an inspection was

conducted in July, 2010, while two approaches to value were developed: the income and sales comparison approaches to value. Based upon the inspection, the appraisal stated that the subject contains 3,000 square feet of rentable area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,999. The subject's assessment reflects a market value of \$239,996 or \$38.17 per square foot of living area based upon 6,288 square feet, including land, when applying the level of assessment for class 5A, commercial property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In support of its contention of the correct assessment, the board of review submitted raw sales data on five suggested comparable sales.

Moreover, the board of review's memorandum stated that the data was not intended to be an appraisal or an estimate of value and should not be construed as such. This memorandum indicated that the information provided therein had been collected from various sources that were assumed to be factual and reliable; however, it further indicated that the writer hereto had not verified the information or sources and did not warrant its accuracy. As a result of its analysis, the board requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$120,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 5A, commercial property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
