

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mario Lopez
DOCKET NO.: 09-34430.001-R-1
PARCEL NO.: 20-17-318-001-0000

The parties of record before the Property Tax Appeal Board are Mario Lopez, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,532
IMPR.: \$151,012
TOTAL: \$161,544

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story low rise 33-unit apartment building with 19,050 square feet of building area. The building was constructed in 1918. The property has an

11,448 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on six comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,544. The subject's assessment reflects a market value of \$1,009,650 or \$53.00 per square foot of building area, including land, when applying the Cook County level of assessment for class 3 property of 16%.

In support of its contention of the correct assessment the board of review submitted limited information on five comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #3, #4 and #5, as well as board of review comparable #3. These comparables had varying degrees of similarity to the subject, based on the limited information submitted by the parties and also sold more proximate in time to the January 1, 2009 assessment date at issue. The Board gave less weight to the parties' remaining comparables due to their sale dates occurring greater than 18 months prior to the assessment date at issue. The best comparables sold for prices ranging from \$650,000 to \$1,307,000 or from \$28.54 to \$62.60 per square foot of building area, including land. The subject's assessment reflects a market value of \$1,009,650 or \$53.00 per square foot of building area, including land, which is within the range established by the best comparable sales in this

Docket No: 09-34430.001-R-1

record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
