

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chicago Community Bank
DOCKET NO.: 09-34496.001-R-1
PARCEL NO.: 20-08-207-005-0000

The parties of record before the Property Tax Appeal Board are Chicago Community Bank, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,685
IMPR.: \$0
TOTAL: \$15,685

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12,478 square foot vacant parcel. The property is located in Chicago, Lake Township, Cook County. The subject is classified as a class 1-00 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in December 2005 for a price of \$200,000.

The appellant also submitted five comparable vacant land sales.

Based on this evidence, the appellant requested a reduction in the subject's assessment to \$14,974, which would reflect a market value of \$149,740 or \$12.00 per square foot of land area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,396. The subject's assessment reflects a market value of \$233,960 or \$18.75 per square foot of land area, when using the Cook County level of assessments for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on 12 comparable sales. The subject's sale was included in the list.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sale #3 and the board of review's comparable sale #12. These comparables were the most similar in size, when compared to the subject and also sold more proximate in time to the January 1, 2009 assessment date at issue. The Board gave less weight to the subject's 2005 sale for \$200,000 due to its occurrence more than 3 years prior to the assessment date at issue. Furthermore, based on the copies of the subject's PTAX-203 Illinois Real Estate Transfer Declaration submitted by both parties, there is no indication that the subject was advertised for sale. The Board also gave less

weight to the parties' remaining comparables due to their dissimilar size and/or their sale dates occurring greater than a year prior to the assessment date at issue. The best comparables sold for prices of \$12.57 and \$7.81 per square foot of land area. The subject's assessment reflects a market value of \$18.75 per square foot of land area, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
