

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Walsh
DOCKET NO.: 09-34649.001-R-1
PARCEL NO.: 07-19-301-021-0000

The parties of record before the Property Tax Appeal Board are Frank Walsh, the appellant(s), by attorney Ram Natarajan, of Natarajan Legal, P.C. in Westmont; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,728
IMPR.: \$25,000
TOTAL: \$30,728

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 10,416 square foot parcel of land improved with a 20-year old, two-story, frame, single-family dwelling containing 2,043 square feet of living area. The

property is located in Schaumburg Township, Cook County. The subject is classified as 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity and overvaluation as the bases of the appeal. In support of this argument the appellant submitted four equity and sales comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,687 with an improvement assessment of \$31,959 or \$15.64 per square foot of living area. The subject's total assessment reflects a market value of \$359,090 or \$175.77 per square foot of living area using the Illinois Department of Revenue's 2009 three-year median level of assessment of 8.90 % for class 2 properties.

In support of its contention of the correct assessment the board of review submitted four equity comparables with sales information on one comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3, and #4. These properties sold between October and December 2009 for prices ranging from \$140.76 to \$169.03 per square foot of living area. The subject's assessment reflects a market value of \$175.77 per square foot of living area which is above the range established by the best comparables in this record. Based on this record and after adjustments to the comparables, the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's

Docket No: 09-34649.001-R-1

assessment is justified. Once this reduction is applied, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
