

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Deiter  
DOCKET NO.: 09-34960.001-R-1  
PARCEL NO.: 24-02-425-048-0000

The parties of record before the Property Tax Appeal Board are William Deiter, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 2,587  
**IMPR.:** \$ 21,888  
**TOTAL:** \$ 24,475

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of 5,750 square feet of land improved with a 58-year old, one and part two-story, masonry, mixed-use building. The subject contains 6,514 square feet of

building area and includes a storefront office, a garage, and an apartment. The appellant argued that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of the market value argument, the appellant submitted a residential appraisal summary report of the subject property with an effective date of January 1, 2008. The appraiser inspected the subject property and estimated a market value for the subject of \$275,000 based upon the sales comparison approach to value.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$48,873. The subject's assessment reflects a market value of \$549,135 using the Illinois Department of Revenue median level of assessment for class 2 residential property of 8.90% for tax year 2009.

In addition, the board of review submitted detailed descriptive and assessment data on four suggested equity comparables. Comparable #4 sold in June 2007 for \$375,000, or \$104.84 per square foot, including land. Based upon this evidence, the board requested confirmation of the subject's assessment.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$275,000 as of the assessment date at issue. Since market value has been established the 2009 three year median level of assessment of 8.9% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).
