

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Antonio & Virginia Ciaccio
DOCKET NO.: 10-03221.001-R-1
PARCEL NO.: 03-08-210-014

The parties of record before the Property Tax Appeal Board are Antonio & Virginia Ciaccio, the appellants, by attorney Franco A. Coladipietro of Amari & Locallo, in Bloomingdale; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$90,180
IMPR.: \$184,380
TOTAL: \$274,560

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story single family dwelling with 4,930 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a three-car attached garage. The dwelling is approximately 3 years old. The property is located in Addison Township, DuPage County.

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellants submitted an appraisal estimating the subject property had a market value of \$825,000 as of January 1, 2009. The appellants also submitted a copy of the final decision issued by the DuPage County Board of Review establishing a total assessment for the subject of \$293,590, which reflects a market value of approximately \$882,181 using the statutory level of assessments. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of the assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellants estimating the subject property had a market value of \$825,000 as of January 1, 2009. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellants. The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellants' argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$825,000 as of January 1, 2010 and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
