

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Sievert
DOCKET NO.: 10-20376.001-R-1
PARCEL NO.: 15-36-303-024-0000

The parties of record before the Property Tax Appeal Board are Scott Sievert, the appellant, by attorney Michael J. Sheridan of Sheridan Law Office in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,203
IMPR.: \$41,797
TOTAL: \$49,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 1,838 square feet of living area. The dwelling is approximately 81 years old. Features of the home

include a full unfinished basement, one fireplace and a 1-car garage. The property has a 10,290 square foot site and is located in Riverside, Riverside Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on April 22, 2010 for a price of \$490,000. The appellant partially completed Section IV - Recent Sale Data of the residential appeal form to demonstrate the sale had the elements of an arm's-length transaction. The appellant's evidence included a copy of the Settlement Statement regarding the subject property's sale disclosing a sale commission was paid. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$61,702. The subject's assessment reflects a market value of \$617,020 or \$335.70 per square foot of living area, land included, when applying the level of assessments for class 2-05 property of 10% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2010 for a price of \$490,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant partially completed Section IV - Recent Sale Data of

the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service. In further support of the transaction the appellant submitted a copy of the HUD-1 settlement statement and a copy of the Warranty Deed from the Cook County Recorder of Deeds website page. The Board finds the purchase price is below the market value reflected by the assessment. The board of review submitted no evidence challenging the arm's length nature of the sale. The Board gives no weight to the equity evidence submitted by the board of review as this did not address the appellant's market value argument. Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
