

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mirella C. Siwik
DOCKET NO.: 10-20545.001-R-1
PARCEL NO.: 14-19-313-007-0000

The parties of record before the Property Tax Appeal Board are Mirella C. Siwik, the appellant(s), by attorney Donald T. Rubin, of Rubin & Norris in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 13,020
IMPR.: \$ 38,385
TOTAL: \$ 51,405

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 3,761 square feet of living area. The dwelling is 121 years old. Features of the home include a crawl, central air conditioning, two fireplaces, and a two-car garage. The property has a 3,100 square foot site, and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$575,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,590. The subject's assessment reflects a market value of \$700,112, or \$186.15 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables.

After the evidence from both parties was received, the appellant submitted a "Supplemental Brief in Support of 2010 Real Estate Assessed Valuation Appeal." In this brief, the appellant seeks to have a new appraisal submitted into the record, and argues that the subject's improvement size is incorrect.

Conclusion of Law

Initially, the Board denies any relief sought in the appellant's supplemental brief. This brief contained new evidence and new arguments that were not made in the appellant's initial evidentiary submission. "After the Property Tax Appeal Board has transmitted an appeal to the board of review and the time period for intervention under Section 1910.60 has expired, a petition for appeal may be amended to correct any technical defects, except when the amendment would be prejudicial to a party." 86 Ill.Admin.Code §1910.31(a). In this case, the new evidence and new arguments would be prejudicial to the board of review, as the board of review had no opportunity to see this evidence prior to the filing of its own evidence. Therefore, the Board denies the appellant's requested relief contained in the supplemental brief.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist

of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$575,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
