

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dawn Dusik  
DOCKET NO.: 10-20555.001-R-1 through 10-20555.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Dawn Dusik, the appellant, by attorney Steven B. Pearlman of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-20555.001-R-1	15-25-301-001-0000	2,362	13,044	\$15,406
10-20555.002-R-1	15-25-301-002-0000	2,362	13,044	\$15,406

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two parcels improved with a one-story dwelling of frame and masonry construction. The dwelling is approximately 53 years old and has 1,122 square feet of living area. Features of the home include a partial finished

basement, central air conditioning and a 1½-car garage. The property's two parcels have a combined land area of 6,750 square feet. The subject is located in Riverside, Riverside Township, Cook County and is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,812. The subject property has an improvement assessment of \$26,088 or \$23.25 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

The appellant submitted a rebuttal brief.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Both parties submitted information on a total of seven suggested equity comparables. The Board finds the appellant's comparables were somewhat larger than the subject and the appellant did not provide any information on the comparables' foundations. As a result, the appellant's comparables received reduced weight in the Board's analysis. The Board finds the best evidence of assessment equity to be board of review comparables. These comparables were very similar to the subject in living area and they had basements like the subject. In addition, these comparables had the same assigned neighborhood code as the subject and were also very similar in design. These comparables had improvement assessments that ranged from \$24.08 to \$26.99

per square foot of living area. The subject's improvement assessment of \$23.26 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
