

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jim Schick
DOCKET NO.: 10-20628.001-R-1 through 10-20628.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jim Schick, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-20628.001-R-1	11-29-103-024-1001	4,116	13,049	\$ 17,165
10-20628.002-R-1	11-29-103-024-1002	3,814	14,066	\$ 17,880

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two condominium units. The condominium unit with the PIN ending in -1001 ("Unit #1") has a 35.652% ownership interest in the common elements. The condominium unit with the PIN ending in -1002 ("Unit #2") has a 33.043% ownership interest in the common elements. The property is located in Chicago, Rogers Park Township, Cook County. The subject units are both classified as class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating Unit #1 had a market value of \$192,000 as of January 1, 2009. The appellant also submitted an appraisal estimating Unit #2 had a market value of \$200,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,313. Unit #1's assessment reflects a market value of \$315,302 when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue. Unit #2's assessment reflects a market value of \$292,226 when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted a memo from Matt Panush, Cook County Board of Review Analyst. The memorandum shows that one unit in the subject's building, or 31.305% of ownership, sold in 2005 for \$272,000. An allocation of 2.00% for personal property was subtracted from the sales prices, and then divided by the percentage of interest of the unit to arrive at a total market value for the building of \$851,493. The subjects' percentages of ownership were then utilized to arrive at an aggregate value for the subject units of \$584,933.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisals submitted by the appellant. The subject units' assessments reflect market values above the best evidence of market value in the record. The Board finds Unit #1 had a market value of \$192,000 as of the assessment date at issue. The Board finds Unit #2 had a market value of \$200,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
