

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ilya Pisarenko
DOCKET NO.: 10-20707.001-R-1
PARCEL NO.: 11-30-317-022-0000

The parties of record before the Property Tax Appeal Board are Ilya Pisarenko, the appellant(s), by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,200
IMPR.: \$ 27,537
TOTAL: \$ 34,737

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,500 square foot parcel of land improved with a 101-year-old, two-story, masonry, multi-family building containing 2,378 square feet of building area. The property is located in Rogers Park Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted three sale comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,737. The subject's total assessment reflects a market value of \$388,557 or \$163.40 per square foot of living area using the Illinois Department of Revenue's 2010 three-year median level of assessment of 8.94% for class 2 properties.

In support of its contention of the correct assessment the board of review submitted four sale comparables.

At hearing, the appellant's attorney argued that the appellant's evidence supports a reduction in the subject's assessment based on the sale prices of these comparables.

The board of review's representative rested on the evidence previously submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable #1 and #3 and the board of review's comparable #1. These properties sold between August 2009 and July 2010 for prices ranging from \$92.69 to \$166.81 per square foot of living area. The subject's assessment reflects a market value of \$163.40 per square foot of living area which is within the range established by the best comparables in this record. Based on this record and after adjustments to the comparables, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
