

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph O'Donnell
DOCKET NO.: 10-20870.001-C-1
PARCEL NO.: 28-09-404-089-1004

The parties of record before the Property Tax Appeal Board are Joseph O'Donnell, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$5,013
IMPR.: \$7,237
TOTAL: \$12,250**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 87-year old, one-story, masonry, commercial condominium unit containing 703 square feet of building area. The property is located in Bremen Township,

Cook County and is a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$49,000 as of January 1, 2009. The appraisal discloses the subject sold in January 2009 for \$60,000. The appraisal further discloses that the appellant indicated the subject was not arm's length because the property was purchased for expansion. The appraiser opines that this sale was not at market levels.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,817. The subject's assessment reflects a market value of \$63,268 using the Cook County Ordinance level of assessment for class 5 property of 25%.

In support of its contention of the correct assessment the board of review submitted five sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. Therefore, the Board finds the subject had a market value of \$49,000. Since the market value of this parcel has been established, the Cook County Ordinance level of assessment for Class 5 property of 25% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
