

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beth Lenders  
DOCKET NO.: 10-21050.001-R-1  
PARCEL NO.: 14-19-310-016-0000

The parties of record before the Property Tax Appeal Board are Beth Lenders, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 13,020  
**IMPR.:** \$ 91,205  
**TOTAL:** \$104,225

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a four year-old, two-story dwelling of masonry construction containing 2,824 square feet of living area. Features of the home include a full unfinished basement, air conditioning, three fireplaces and a two-car garage. The

property has a 3,100 square foot site and is located in Lake View Township, Cook County. The property is a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,515. The subject's assessment reflects a market value of \$1,280,928 or \$453.87 per square foot of living area, including land, when applying the 2010 three-year median level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables and a list containing 20 sale comparables from 1992 through 2008. The list included two sales for the subject in 2005 and 2006. The only information disclosed on the list is the date of the sales and the sale price.

In rebuttal, the appellant argued that the board of review did not submit data about the characteristics of its sale comparables.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, #3, and #4. These comparables sold for prices ranging from \$354.82 to \$396.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$453.87 per square foot of living area, including land, which is above the range

established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
