

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suren Ipjian
DOCKET NO.: 10-21077.001-R-1
PARCEL NO.: 11-07-205-003-0000

The parties of record before the Property Tax Appeal Board are Suren Ipjian, the appellant, by attorney Dennis W. Hetler of Dennis W. Hetler & Associates PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,315
IMPR.: \$67,685
TOTAL: \$90,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 4,138 square feet of living area of masonry construction.¹ The dwelling is approximately 90 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and a 2-car detached garage. The property has a 15,660 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$900,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,442. The subject's assessment reflects a market value of \$1,054,420 or \$254.81 per square foot of living area, including land, when applying the level of assessment for class 2-06 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The comparables were similar in design and/or age when compared to the subject. Comparables #1 and #2 are located along the same street as the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser estimated the subject property had a market value of \$900,000 as

of January 1, 2009. The appraiser analyzed three comparable sales to arrive at a final conclusion of value. The Board finds the appraiser made logical adjustments to arrive at a final conclusion of value. The subject's assessment reflects a market value of \$1,054,420 or \$254.81 per square foot of living area, including land, which is above the appraised value. The Board finds the subject property had a market value of \$900,000 as of the assessment date at issue.

The Board finds the board of review was not able to adequately refute the market value conclusion contained in the appellant's appraisal report. The Board gave less weight to the board of review equity evidence as it is not responsive to the appellant's overvaluation argument. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
