

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Heaston
DOCKET NO.: 10-21095.001-R-1
PARCEL NO.: 10-13-412-022-0000

The parties of record before the Property Tax Appeal Board are Patricia Heaston, the appellant, by attorney Leonard Schiller of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,867
IMPR.: \$24,128
TOTAL: \$37,995

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 2,824 square feet of living area of frame construction. The dwelling was constructed in 1974. Features of the home include a full

unfinished basement, central air conditioning and one fireplace. The property has a 12,900 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$425,000 as of January 1, 2010. The appellant requested the assessment be reduced to \$37,825 to reflect the appraisal value and the application of the 2009 three year average median level of assessment for Class 2 property of 8.90% as determined by the Illinois Department of Revenue.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,747. The subject's assessment reflects a market value of \$787,470 or \$278.85 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on one equity comparable.

The appellant's attorney submitted a rebuttal brief in response to the board of review's evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser estimated the subject property had a market value of \$425,000 as of January 1, 2010. The appraiser analyzed seven comparable sales and analyzed the cost approach to arrive at a final

conclusion of value. The subject's assessment reflects a market value of \$787,470 which is above the appraised value. The Board finds the subject property had a market value of \$425,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

The Board finds the board of review was not able to adequately refute the market value conclusion contained in the appellant's appraisal report. The Board gave less weight to the board of review equity evidence as it is not responsive to the appellant's overvaluation argument.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
