

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Weprin
DOCKET NO.: 10-21472.001-R-1
PARCEL NO.: 10-11-400-012-0000

The parties of record before the Property Tax Appeal Board are Mark Weprin, the appellant, by attorney Leonard Schiller of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,167
IMPR.: \$55,333
TOTAL: \$63,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 2,385 square feet of living area.¹ The dwelling was constructed in 1925, but has an effective age from 15 to 20 years. Features of the home include a partial basement that is partially finished, a fireplace and a one-car garage. The property has a 7,260 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$635,000 as of August 9, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,500. The subject's assessment reflects a market value of \$635,000 or \$266.25 per square foot of living area, including land, when applying the Cook County level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

The board of review's submission included a list of 20 sales that occurred from August 1993 to November 2010 for prices ranging from \$360,000 to \$1,590,000. No other information regarding the characteristics of the sale properties was submitted for analysis.

The appellant submitted a rebuttal brief.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this

burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appraisal submitted by the appellant estimating the subject property had a market value of \$635,000 as of August 9, 2010 supports the assessment of the subject property. The Board finds the equity comparables presented by the board of review are not responsive to the overvaluation argument made by the appellant. The Board gave less weight to the board of review's list of 20 sales, as the information submitted did not include property characteristics necessary when analyzing these properties' comparability to the subject. The subject's assessment reflects a market value that is supported by the appellant's appraisal. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
