

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henry Gordon
DOCKET NO.: 10-21483.001-R-1
PARCEL NO.: 05-34-417-030-0000

The parties of record before the Property Tax Appeal Board are Henry Gordon, the appellant, by attorney Leonard Schiller of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,848
IMPR.: \$41,152
TOTAL: \$45,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome dwelling of brick and frame construction with 2,345 square feet of living area. The dwelling was constructed in 1999, but has an

effective age of 4 years. Features of the home include a full finished basement, central air conditioning, a fireplace and a two-car garage.¹ The property has a 3,275 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$450,000 as of January 1, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,421. The subject's assessment reflects a market value of \$514,210 or \$219.28 per square foot of living area, including land, when applying the Cook County level of assessment for class 2 property of 10% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables, one of which sold in May 2007 for \$327,000.

The appellant submitted a rebuttal brief.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As an initial matter, the Board finds the parties' differences in the subject's exterior construction and whether the dwelling has a finished basement will not impact the Board's decision in this appeal.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject

¹ The parties differ as to the subject's exterior construction and whether the dwelling has a finished basement.

property had a market value of \$450,000 as of January 1, 2010. The Board gave less weight to the board of review's comparable sale from May 2007 due to its sale date occurring greater than 31 months prior to the January 1, 2010 assessment date at issue. The Board finds the equity comparables presented by the board of review are not responsive to the overvaluation argument made by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
