

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marek Rygiel  
DOCKET NO.: 10-21510.001-R-1  
PARCEL NO.: 01-13-103-035-0000

The parties of record before the Property Tax Appeal Board are Marek Rygiel, the appellant, by attorney Scott Shudnow of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,135  
**IMPR.:** \$51,865  
**TOTAL:** \$68,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 3,316 square feet of living area. The dwelling was constructed in 1998. Features of the home include

a full finished basement, central air conditioning, two fireplaces and a 4-car garage. The property has a 58,675 square foot site and is located in Inverness, Barrington Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$680,000 as of January 1, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,284. The subject's assessment reflects a market value of \$832,840 or \$251.16 per square foot of living area, including land, when applying the Cook County level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted four equity comparables.

The board of review's submission included a list of 19 sales that occurred from May 1992 to April 2010 for prices ranging from \$56,500 to \$1,200,000. The list includes the subject's sale in May 2007 for \$1,025,000. No other information regarding the characteristics of the sale properties was submitted for analysis.

The appellant submitted a rebuttal brief.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As an initial matter, the Board finds the parties' difference as to whether the subject's basement has finished area, will not impact the Board's decision in this appeal.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$680,000 as of January 1, 2010. The Board finds the equity comparables presented by the board of review are not responsive to the overvaluation argument made by the appellant. The Board gave less weight to the board of review's list of 19 sales, as the information submitted did not include property characteristics necessary when analyzing these properties' comparability to the subject. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
