

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Reiner
DOCKET NO.: 10-21668.001-R-1
PARCEL NO.: 11-19-420-004-0000

The parties of record before the Property Tax Appeal Board are Jason Reiner, the appellant, by attorney Edwin M. Wittenstein, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,375
IMPR: \$ 37,031
TOTAL: \$ 46,406

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 132 year-old, two-story dwelling of frame construction containing 2,988 square feet of living area. The property has a 7,500 square foot site and is located in Evanston Township, Cook County. The property is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on May 15, 2009 for a price of \$295,000. This evidence included Section IV - Recent Sale Data

of the appeal, the settlement statement, a Cadastral Map of the subject's location, a color photograph of the subject, and the sale listing sheet. The settlement statement sheet disclosed the seller as Deutsche Bank National Trust Company as Trustee for Fremont Home Loan Trust Loan Series 2006-3. The sale listing sheet disclosed the subject was sold "As-Is" and that the "Seller makes no warranties expressed or implied." Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,406. The subject's assessment reflects a market value of \$519,083 or \$173.72 per square foot of living area, when using the board of review's indicated size of 2,988 square feet and when using the 2010 three-year median level of assessment of 8.94% for class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales and a list of nine suggested sale comparables that sold from 1991 through 2005 for prices ranging from \$136,000 to \$1,212,500. No further information was submitted about these sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in May, 2009 for \$295,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a compulsory sale, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. The appellant's evidence did not dispute that the sale was compulsory. In this case, the appellant did not submit additional sale comparables to show that the sale of the subject in May, 2009 for \$295,000 was at its fair cash value. The board of review's sale comparables do not disclose property characteristics and, therefore, do provide sufficient data by which a meaningful comparison may be made to the subject. Since there is no supporting evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and holds that a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
