

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Davenport Family Funeral Home  
DOCKET NO.: 10-21907.001-R-1  
PARCEL NO.: 01-01-100-009-0000

The parties of record before the Property Tax Appeal Board are Davenport Family Funeral Home, the appellant, by attorney Anita B. Mauro of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,446  
**IMPR.:** \$47,054  
**TOTAL:** \$53,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part one-story and part two-story building of masonry construction. The building is used as

a funeral home. The subject has 4,545<sup>1</sup> square feet of building area and is 70 years old. Features of the building include a partial basement that has finished area and an attached garage. The property has a 13,571 square foot site with an asphalt parking lot for 18 vehicles and is located in Barrington, Barrington Township, Cook County. The subject is classified as a class 2-12 mixed use property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$535,000 as of January 1, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$89,832. The subject's assessment reflects a market value of \$898,320 or \$197.65 per square foot of building area, including land, when applying the Cook County level of assessments for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted three equity comparables.

The board of review's submission included a list of 7 sales that occurred from April 1990 to May 2007 for prices ranging from \$150,000 to \$630,000. No other information regarding the characteristics of the sale properties was submitted for analysis.

In rebuttal, the appellant argued the subject's 2012 assessment was reduced by the board of review.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

---

<sup>1</sup> The appellant's appraiser reports the subject building has 5,535 square feet of building area that includes the attached garage.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$535,000 as of January 1, 2010. The Board gave little weight to the equity comparables presented by the board of review. The Board finds this evidence is not responsive to the overvaluation argument made by the appellant. The Board also gave less weight to the board of review's list of 7 sales, as the information submitted did not include property characteristics necessary when analyzing these properties' comparability to the subject. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this evidence the Board finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
