

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Depree  
DOCKET NO.: 10-22158.001-R-1  
PARCEL NO.: 14-20-107-011-0000

The parties of record before the Property Tax Appeal Board are Eric Depree, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$23,814  
IMPR.: \$14,181  
TOTAL: \$37,995**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 91-year-old, two-story building of masonry construction with 2,724 square feet of living area. Features of the home include a full basement and a

two-car garage. The property has a 4,410 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 10, 2010 for a price of \$425,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,963. The subject's assessment reflects a market value of \$827,327 when using the 2010 three year median level of assessments for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November, 2010 for a price of \$425,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. In further support of the transaction, the appellant submitted a printout from the Cook County Recorder of Deeds website showing the transfer. The Board finds the purchase price is below the market value reflected by the assessment. Although the appellant checked in Section IV that the sale was a foreclosure, the appellant presented evidence that the parties to the transaction were not related and the subject was advertised on the open market. Furthermore, the Board finds the board of

review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$425,000 as of January 1, 2010. Since market value has been determined the 2010 three year median level of assessments for class 2 property of 8.94% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
