

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Our Gang Partners  
DOCKET NO.: 10-22198.001-R-1  
PARCEL NO.: 10-12-417-007-0000

The parties of record before the Property Tax Appeal Board are Our Gang Partners, the appellant(s), by attorney George Michael Keane, Jr., of Keane and Keane in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,554  
**IMPR.:** \$26,888  
**TOTAL:** \$38,442

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 90-year-old, two-story dwelling of masonry construction with 2,288 square feet of living area. Features of the home include a full basement, a

fireplace and a 2.5-car garage. The property has a 8,720 square foot site and is located in Evanston Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the basis of the appeal. In support of the overvaluation argument, the appellant submitted an appraisal estimating the subject property had a market value of \$430,000 as of January 1, 2010. In support of the inequity argument, the appellant submitted seven suggested equity comparables with sales data on two of the properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,466. The subject's assessment reflects a market value of \$743,468 when applying the 2010 three year median level of assessments for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales information on one property.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$430,000 as of the assessment date at issue. Since market value has been established the 2010 three year median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)). After a reduction in assessment, the Board finds the subject property to be equitably assessed.
