

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Nelson
DOCKET NO.: 10-22219.001-R-1
PARCEL NO.: 14-18-418-030-0000

The parties of record before the Property Tax Appeal Board are Christopher Nelson, the appellant, by attorney William I. Sandrick of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,400
IMPR.: \$63,200
TOTAL: \$74,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 2,260 square feet of living area. The dwelling is 111 years old. Features of the home include a full

unfinished basement, central air conditioning and a two-car garage. The property has a 3,000 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four suggested equity comparables. The appellant did not contest the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,600. The subject property has an improvement assessment of \$63,200 or \$27.96 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

As an initial matter, the appellant argued the board of review erroneously reported the subject's size as 4,636 square feet of living area. However, the board of review's evidence refers to the subject as having 2,260 square feet of living area, which is the same size reported by the appellant. The Board finds the parties are in agreement with the size of the subject property.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #4. These comparables were most similar to the subject in location and had improvement assessments of \$68,228 and \$52,514 or \$26.76 and \$23.64 per square foot of living area, respectively. The subject's improvement assessment of \$63,200 or \$27.96 per square foot of

living area is supported by the best comparables in this record on a total improvement assessment basis and slightly above the assessments on a per square foot basis. After adjusting the comparables for differences to the subject property, the Board finds the subject's improvement assessment is supported. The Board gave less weight to the appellant's comparables due to their less proximate location as the comparables submitted by the board of review. The Board gave less weight to the board of review's comparables #2 and #3 due to their considerably larger sizes, when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
