

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sidney DeVries & Jennifer Murphy
DOCKET NO.: 10-22233.001-R-1
PARCEL NO.: 14-05-210-025-1039

The parties of record before the Property Tax Appeal Board are Sidney DeVries & Jennifer Murphy, the appellants, by attorney William I. Sandrick of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$1,471
IMPR.: \$9,469
TOTAL: \$10,940**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium dwelling that is 23 years old. The dwelling is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-

99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing the subject property was purchased on July 15, 2009 for a price of \$109,400. Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,205. The subject's assessment reflects a market value of \$132,050, when using the Cook County level of assessments for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted an assessment analysis based on sales from 2008 and 2009.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July 2009 for a price of \$109,400. The appellants provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellants partially completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related. In further support of the transaction the appellants submitted a copy of the subject's settlement statement disclosing a broker commission was charged at the time of settlement. The Board finds the purchase price is below the market value reflected by the assessment. The Board further finds the board of review did not present any evidence to challenge the arm's length nature of the transaction and submitted an assessment analysis relying on sales from 2008 and 2009, which would not overcome the arm's-length transaction of

the subject property. Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellants' request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
