

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerome H. Meyer  
DOCKET NO.: 10-22493.001-R-1  
PARCEL NO.: 14-17-411-001-0000

The parties of record before the Property Tax Appeal Board are Jerome H. Meyer, the appellant, by attorney Steven B. Pearlman of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$57,812  
**IMPR:** \$99,666  
**TOTAL:** \$157,478

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story masonry dwelling that is approximately 101 years old.<sup>1</sup> Features of the home include a full unfinished basement, central air conditioning, three fireplaces and a two-car garage. The property has a

14,453 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 09-22672.001-R-2. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$157,478 based upon an agreement reached by the parties. The Property Tax Appeal Board takes notice that 2009 and 2010 are within the same general assessment period for Lake View Township. (86 Ill.Admin.Code §1910.90(i)).

For the 2010 appeal, the appellant submitted four comparables to demonstrate the subject was inequitably assessed. The appellant also presented a statement from an architect indicating the subject dwelling has 6,351 square feet of living area. The appellant requested that the subject's assessment be reduced to \$122,783.

The board of review submitted its "Board of Review Notes on Appeal" wherein the 2010 final assessment of the subject property totaling \$214,808 was disclosed (\$57,812 for land, and \$156,996 for the improvement). The board of review submitted descriptions and assessment information on four comparables to demonstrate the subject was equitably assessed.

The appellant's attorney submitted a rebuttal brief.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-

215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board takes notice that it issued a decision reducing the subject's 2009 assessment to \$157,428. The record further indicates that the subject property is an owner occupied dwelling. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
