

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Benz/Prindable Properties, LLC
DOCKET NO.: 10-22536.001-R-1
PARCEL NO.: 14-20-407-019-0000

The parties of record before the Property Tax Appeal Board are Benz/Prindable Properties, LLC, the appellant, by attorney Jack E. Boehm, Jr., of Fisk Kart Katz Regan & Levy LTD in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,875
IMPR.: \$63,225
TOTAL: \$80,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 112 years old, and consists of a three-story dwelling of masonry construction containing 3,645 square feet of living area, according to the evidence submitted by the

board of review. Features of the home include a full basement. The property has a 3,125 square foot site and is located in Lake View Township, Cook County. The property also contains a 1,102 square foot coach house. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$900,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,356. The subject's assessment reflects a market value of \$1,368,635 or \$375.48 per square foot of living area, when using the board of review's indicated size of 3,645 square feet and when applying the 2010 three-year median level of assessment of 8.94% for class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables, each of which sold in 2009 or 2010. They ranged in sale price from \$800,000 to \$1,010,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$900,000 as of the assessment date at issue. This market value falls within the range set by the four recent sales comparables submitted by the board of review. Since market value has been established, the 2010 three-year median level of assessment of 8.94% for class 2 property as determined

Docket No: 10-22536.001-R-1

by the Illinois Department of Revenue shall apply. (86
Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
