

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: PMA, LLC 2543
DOCKET NO.: 10-22805.001-R-1
PARCEL NO.: 14-29-314-015-0000

The parties of record before the Property Tax Appeal Board are PMA, LLC 2543, the appellant(s), by attorney Leonard Schiller, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,840
IMPR.: \$90,836
TOTAL: \$110,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of 3,100 square foot parcel of land improved with a seven-year old, two-story, frame and masonry, multi-family dwelling containing 5,132 square feet of living area. The property is located in Lake View Township,

Cook County and is classified as a 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted three suggested comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,422 with an improvement assessment of \$101,582 or \$19.79 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted three equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds that appellant's comparable #2 and the board of review's comparable #2 are the same property. The Board further finds that best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1 and #2. These comparables have improvement assessments ranging from \$17.50 to \$17.75 per square foot of living area. In comparison, the subject has an improvement assessment of \$19.79 per square foot which falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
