

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Alderman
DOCKET NO.: 10-23123.001-R-1
PARCEL NO.: 31-10-200-089-1017

The parties of record before the Property Tax Appeal Board are Stephen Alderman, the appellant(s), by attorney Leonard Schiller, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,135
IMPR: \$3,693
TOTAL: \$4,828

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a non-owner occupied, condominium unit within a 34-year old, 276 unit, condominium building. The property is located in Rich Township, Cook County.

The property is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted an appraisal estimating a value for the subject of \$54,000 as of January 1, 2010. The appraisal discloses a prior sale of the subject in March 2009, but does not disclose the amount.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,130. The subject's assessment reflects a market value of \$102,125 using the Illinois Department of Revenue's 2010 three-year median level of assessment for class 2 property of 8.94%.

In support of the assessment the board of review submitted information disclosing that eight units within the condominium sold in 2008 or 2009 for a total of \$712,000. The analyst deducted \$14,240 or 2% from the total sale price to account for personal property to arrive at a total adjusted consideration of \$697,760. Dividing the total adjusted consideration by the percentage of ownership in the condominium for the units that sold of 2.898% indicated a full value for the condominium property of \$24,077,295. When applying the percentage of ownership for the subject of .363% the board of review estimated the full value of the subject at \$87,400. The board of review did not include the sale of the subject in 2009 in its evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. Based on this record the Board finds the subject property had a market value of \$54,000 as of January 1, 2010. Therefore, the Board finds the subject overvalued and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
