

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lewis Calabrese  
DOCKET NO.: 10-23421.001-R-1 through 10-23421.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Lewis Calabrese, the appellant, by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-23421.001-R-1	09-26-406-038-0000	8,149	65,507	\$73,656
10-23421.002-R-1	09-26-406-037-0000	8,149	0	\$ 8,149

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is comprised of two parcels: one contains land only and the other consists of a 16 year-old, two-story dwelling of masonry construction containing 4,256 square feet of living area. Features of the home include a full unfinished

basement, air conditioning, two fireplaces and a three-car garage. The property has a 10,515 square foot site and is located in Maine Township, Cook County. The property is a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for both parcels of the subject of \$92,778. The subject's assessment reflects a market value of \$1,037,785 or \$243.84 per square foot of living area including land, when applying the 2010 three-year average median level of assessment for Class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

In rebuttal, the appellant argued that the board of review failed to respond to the overvaluation argument. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #1, #2 and #3. These comparables sold for prices ranging from \$132.29 to \$229.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$243.84 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence,

Docket No: 10-23421.001-R-1 through 10-23421.002-R-1

the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
