

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jack Li
DOCKET NO.: 10-23674.001-R-1
PARCEL NO.: 10-18-210-028-0000

The parties of record before the Property Tax Appeal Board are Jack Li, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,983
IMPR.: \$52,861
TOTAL: \$62,844

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 3,255 square feet of living area. The dwelling was constructed in 1997. Features of the home include a full

basement, central air conditioning, a fireplace and a 2.5-car garage. The property has a 8,874 square foot site and is located in Niles Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The appellant's comparables range: in building size from 3,056 to 3,436 square feet of living area; in age from 32 to 33 years; and in location from .07 to .08 miles from subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,844. The subject property has an improvement assessment of \$52,861 or \$16.24 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review's comparables range: in building size from 3,198 to 3,388 square feet of living area; in age at 13 years; and in location from ¼ mile to the same block as the subject.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of assessment equity to be *appellant's comparable #2 and the board of review comparables #1, #3, and #4*. These comparables had improvement assessments that ranged from \$12.45 to \$16.56 per square foot of living area. The subject's improvement assessment of \$16.24 per square foot of living area falls *within* the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was

inequitably assessed and a reduction in the subject's assessment
is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
