

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Rodwizd  
DOCKET NO.: 10-24168.001-R-1  
PARCEL NO.: 18-35-110-003-0000

The parties of record before the Property Tax Appeal Board are Sharon Rodwizd, the appellant(s), by attorney Ronald M. Justin, of RMR Property Tax Solutions in Hawthorn Woods; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 4,192**  
**IMPR.: \$ 57,773**  
**TOTAL: \$ 61,965**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of frame and masonry construction with 4,959 square feet of living area. The dwelling is 51 years old. Features of the home include a crawl, central air conditioning, a fireplace, and a two-car garage. The property has a 12,900 square foot site, and is located in Justice, Lyons Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, two of which were designated as being foreclosures. The appellant also included a chart which detailed certain adjustments made by Rick Robin of ProTaxAppeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$61,965. The subject's assessment reflects a market value of \$693,121, or \$139.77 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information of four equity comparables and four sale comparables.

At hearing, both parties rested on the evidence previously submitted. The Board also excluded the adjustments made to the comparables by Mr. Robin, as he was unavailable to testify at the hearing and be subject to cross-examination. 86 Ill.Admin.Code §1910.90(g) ("The Property Tax Appeal Board or its designated Hearing Officer may exclude inadmissible evidence upon its own motion.").

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially, the Board finds that two of the comparable sales submitted by the appellant were "compulsory sales." A "compulsory sale" is defined as

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly

referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. The MLS printouts submitted by the appellant state that comparables #1 and #2 were both foreclosures. Based on these admissions, the Board finds that these sale comparables were compulsory sales.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) (citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211, 387 N.E.2d 351 (2d Dist. 1979)).

However, section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183.

Therefore, the Board is statutorily required to consider the compulsory sales submitted by the appellant.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, and #3, and board of review comparables #1, #2, and #3. These comparables sold for prices ranging from \$60.08 to \$278.02 per square foot of living area,

including land. The subject's assessment reflects a market value of \$139.77 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
