

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Castle Hill Construction, Inc.
DOCKET NO.: 10-24732.001-R-1
PARCEL NO.: 31-11-300-015-0000

The parties of record before the Property Tax Appeal Board are Castle Hill Construction, Inc., the appellant(s), by attorney George Michael Keane, Jr., of Keane and Keane in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,701
IMPR.: \$ 517
TOTAL: \$5,218

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4-year-old, two-story dwelling with 4,214 square feet of living area of masonry construction. Features of the home include a full basement,

central air conditioning, a fireplace and a 3.5-car garage. The property has a 14,825 square foot site and is located in Rich Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information that the subject property was used as a model home in the lien year at issue.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,327. The subject's assessment reflects a market value of \$115,515 when applying the 2010 three year median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on two properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the subject property was used as a model home during the lien year of 2010. The appellant submitted evidence establishing: that the subject was purchased on January 31, 2011; and that an application for a model home assessment was filed with the county. The board of review failed to submit any evidence showing that the appellant is not entitled to a reduction under section 10-25 of the Property Tax Code. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
