

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krzysztof & Miroslaw Matuszewski
DOCKET NO.: 10-25164.001-R-1
PARCEL NO.: 09-16-106-041-0000

The parties of record before the Property Tax Appeal Board are Krzysztof & Miroslaw Matuszewski, the appellants, by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,997
IMPR.: \$ 23,946
TOTAL: \$ 29,943

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 46 year-old, two-story dwelling of masonry construction containing 1,561 square feet of living area. Features of the home include a full unfinished basement, air conditioning, a fireplace and a one-car garage. The

property has a 10,430 square foot site and is located in Maine Township, Cook County. The property is a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument, the appellants submitted information on three suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,943. The subject property has an improvement assessment of \$23,946, or \$15.34 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

At hearing, each party reaffirmed and rested on the evidence previously submitted.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellants' comparables #3, and the board of review's comparables #1, #2 and #4. The appellants' comparable #3 and the board of review's comparable #2 are the same property. These comparables had improvement assessments that ranged from \$14.73 to \$15.95 per square foot of living area. The subject's improvement assessment of \$15.34 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed

Docket No: 10-25164.001-R-1

and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
