

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul McNaughton  
DOCKET NO.: 10-25440.001-C-1 through 10-25440.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Paul McNaughton, the appellant(s), by attorney Adam E. Bossov, of Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

| DOCKET NO        | PARCEL NUMBER      | LAND   | IMPRVMT | TOTAL    |
|------------------|--------------------|--------|---------|----------|
| 10-25440.001-C-1 | 18-19-103-054-0000 | 31,951 | 0       | \$31,951 |
| 10-25440.002-C-1 | 18-19-103-057-0000 | 32,319 | 0       | \$32,319 |

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two vacant land parcels that contain a total of 111,775 square feet. The property is located in Lyons Township, Cook County. The subject is classified as a

class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables. The comparables are class 2-41 residential land parcels that are under common ownership with adjacent residences.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,270. The subject property has a land assessment of \$642,700 or \$0.57 per square foot of land. In support of its contention of the correct assessment the board of review submitted information on five equity comparables.

In written rebuttal, the appellant's attorney stated that the board of review's evidence consists of unadjusted sale comparables that should not be given any weight.

#### Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant's comparables are not similar to the subject. The appellant's comparables are class 2-41 residential land parcels that are under common ownership with an adjacent residence. In contrast, the subject consists of two class 1-00 vacant land parcels that are not under common ownership with adjacent land parcels. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
