

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniella Zipperstein
DOCKET NO.: 10-25720.001-R-1 through 10-25720.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Daniella Zipperstein, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-25720.001-R-1	10-33-208-022-0000	3,580	8,489	\$12,069
10-25720.002-R-1	10-33-208-023-0000	3,580	8,489	\$12,069

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 1,478 square feet of living area of masonry construction. The dwelling was constructed in 1956. Features of the home include a full basement, central air conditioning and a fireplace. The property

has a 8,184 square foot site and is located in Niles Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$270,000 as of September 26, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,500. The subject's assessment reflects a market value of \$318,792 or \$215.69 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review also submitted a copy of a Property Tax Appeal Board decision for another property. The Board notes that the decision was subsequently amended. The board of review also argued that the appellant's appeal should be dismissed as the appellant's appraiser's value conclusion date was not January 1, 2010.

In written rebuttal, the appellant's attorney stated that the board of review's comparables are not verified or adjusted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the date of the appraisal is less than four months prior to the lien date at issue. As such, the Board finds without merit the board of review's assertion that the

appellant's appraisal is insufficient to challenge the correctness of the subject's assessment as the "appraiser rendered an opinion of value well before January 1 of the instant assessment year." The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$270,000 as of the assessment date at issue. Since market value has been established the 2010 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.94% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
