

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Dauer
DOCKET NO.: 10-25974.001-R-1 through 10-25974.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Paul Dauer, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
10-25974.001-R-1	05-33-218-057-0000	6,096	11,092	\$ 17,188
10-25974.002-R-1	05-33-218-060-0000	1,322	390	\$ 1,712

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 1,236 square feet of living area. The dwelling is 55 years old. Features of the home include a slab. The property has a 3,933 square foot site, and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,833. The subject's assessment reflects a market value of \$300,145, or \$242.84 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information of four equity comparables.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it did not address the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, and #3. These comparables sold for prices ranging from \$131.36 to \$181.45 per square foot of living area, including land. The subject's assessment reflects a market value of \$242.84 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment to that requested by the appellant is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
