

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dolores & Donn Shapiro  
DOCKET NO.: 10-25979.001-R-1  
PARCEL NO.: 05-06-406-031-0000

The parties of record before the Property Tax Appeal Board are Dolores & Donn Shapiro, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 29,127**  
**IMPR: \$ 76,195**  
**TOTAL: \$ 105,322**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction with 2,916 square feet of living area. The dwelling is 90 years old. Features of the home include a full unfinished basement, a fireplace, and a two-car garage. The property has a 19,100 square foot site, and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,322. The subject's assessment reflects a market value of \$1,178,098, or \$404.01 per square foot of living area, including land, when applying the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information of three equity comparables and three sale comparables.

In rebuttal, the appellant argued that the board of review's comparable sales were not substantiated with any supporting evidence.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, and #3 and board of review comparables #1, #2, and #3. These comparables sold for prices ranging from \$301.44 to \$705.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$404.01 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
