

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 464 Greenbay Road LLC  
DOCKET NO.: 10-26188.001-R-1  
PARCEL NO.: 05-20-218-025-1003

The parties of record before the Property Tax Appeal Board are 464 Greenbay Road LLC, the appellant(s), by attorney Douglas B. Wexler, of Wexler & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 4,944**  
**IMPR: \$ 59,871**  
**TOTAL: \$ 64,815**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a condominium unit. The property is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$470,000

as of December 29, 2010. The appellant also submitted information on four comparable sales. Furthermore, the appellant submitted evidence disclosing the subject property was purchased on October 24, 2008 for a price of \$725,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,499. The subject's assessment reflects a market value of \$810,951 when applying the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted a brief memorandum stating that it did not adjust the subject's assessment for tax year 2010 because the appellant is an limited liability company and was not represented by an attorney before the board of review.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2008 for a price of \$725,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the property was sold using a Realtor, and that it was advertised for sale on the open market for approximately 76 days with a listing on the MLS. In further support of the transaction, the appellant submitted a printout from the MLS. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Additionally, the appraisal and sale comparables submitted by the appellant were given diminished weight because "[a]

contemporaneous sale between parties dealing at arm's length is not only relevant to the question of fair cash market value but would be practically conclusive on the issue of whether an assessment was at full value." Residential Real Estate Co. v. Prop. Tax Appeal Bd., 188 Ill.App.3d 232, 242 (5th Dist. 1989) (citing People ex rel. Korzen v. Belt Ry. Co. of Chicago, 37 Ill.2d 158 (1967)). Based on this record the Board finds the subject property had a market value of \$725,000 as of January 1, 2010. Since market value has been determined the 2010 three year average median level of assessment for class 2 property of 8.94% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
