

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John W. O'Brien
DOCKET NO.: 10-26502.001-R-1
PARCEL NO.: 05-08-101-045-0000

The parties of record before the Property Tax Appeal Board are John W. O'Brien, the appellant, by attorney Patrick J. McNerney, of Mayer Brown LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 65,134
IMPR.: \$ 308,281
TOTAL: \$ 373,415

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2010 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements on one parcel of land. Improvement #1 is a three-story dwelling of masonry construction with 6,934 square feet of living area. It is 98 years old.

Features of Improvement #1 include eight bedrooms, two fireplaces, central air conditioning and a three-car garage. Improvement #2 is a one-story dwelling of masonry construction with 1,387 square feet of living area. It is 98 years old. Features of Improvement #2 include two bedrooms, one fireplace, and central air conditioning. The property has a 32,165 square foot site and is located in Glencoe, New Trier Township, Cook County. Improvement #1 is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance. Improvement #2 is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$3,950,000 as of January 1, 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$473,414. The subject's assessment reflects a market value of \$5,295,459 when applying the 2010 three year median level of assessment of 8.94% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables for Improvement #1. No evidence was submitted by the board of review in support of the assessment of Improvement #2.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value

Docket No: 10-26502.001-R-1

in the record. Accordingly, a reduction in the appellant's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
